Catering services for The Business Booster 2026

Last update 18/05/2026

Q&A

1. Q: Is the daytime catering taking place only in Hall A6 and the evening event exclusively in Hall A5?

A: The daytime catering will take place in Hall A6, while the evening event is scheduled exclusively for Hall A5.

2. Q: Are buffet and bar facilities included in the tender specifications, or will these be provided by the organiser?

A: Buffet and bar facilities are not included in the tender specifications, so these should be provided by the catering supplier.

3. Q: Will alcoholic drinks also be served in the evening?

A: Yes, alcoholic drinks will be served during the evening event.

4. Q: Should the buffet be exclusively vegan/vegetarian, or may there be a meat-based and a meat-free option each day?

A: The buffet can include both meat-based and meat-free (vegetarian/vegan) options each day; we would like to offer variety to attendees.

5. Q: Are starters and desserts also required for the lunch?

A: Starters and desserts are required for lunch, in addition to the main course.

6. Q: Should there be only water in addition to coffee and tea, or do you also require soft drinks such as juices and coke?

A: We would appreciate having soft drinks such as juices and coke in addition to water, coffee, and tea.

7. Q: Have you already included return/back areas for catering in the hall plans?

A: Return/back areas for catering have been included in the hall plans.
